

A new direction that gives nutrition and education to every child

Sponsorship helps in improving the quality of living by providing for medical, nutritional, educational and other needs of the children

<p>Children whose mothers have been widowed, divorced or abandoned by families</p>	<p>Orphaned children living with displaced families</p>	<p>Children whose parents are suffering from life-threatening diseases</p>	<p>Children whose parents are disabled due to accidents or calamities</p>
